

## **SCHOOL ASSIGNMENT & CHOICE**

The Superintendent shall establish, and the Board shall approve, attendance boundaries for each district school.

Students shall attend the school to which they are assigned; however, the Board authorizes the Superintendent to grant or deny requests for individuals to attend schools outside of their designated attendance areas after consideration of the following criteria:

1. The change appears to be in the best interests of the student and the District.
2. No bus route will be extended beyond its normal run.
3. Principals of both schools involved approve of the change.
4. The transfer will not create overcrowding.

The Board reserves the authority to transfer students from the assigned school to a different school when enrollment must be balanced because of classroom space requirements or class size. Transfer decisions shall comply with 20 U.S.C. 1703.

### **School Choice**

Parents of students attending a Title I school identified under law as in need of improvement, under corrective action, under restructuring, persistently dangerous, and/or parents of students who become a victim of documented violence while at school shall:

1. Receive notification in accordance with law;
2. Be given the option of transferring their child to another district school;
3. Be given the option of transferring their child to a school outside the District if the District does not have more than one school offering the student's grade level and/or the District does not have another school defined under applicable law as safe and meeting adequately yearly progress.
