**CHILDFIND REFERRAL PROGRAM  
FOR STUDENTS WITH DISABILITIES**  
(Adopted 5-21-2018)

Every child with a disability residing within the Jamestown Public School District is entitled to a free, appropriate public education. A comprehensive program to locate children with disabilities residing within the school district is an on-going commitment of the Board.

Referrals for special education programs may be made by classroom teachers, guidance counselors, or other school personnel through the principal of the school in which the child is enrolled or may be requested by the child's parent. All procedures relative to the assessment and placement of children with disabilities will comply with the regulations of federal and state law and the Department of Public Instruction. The special education program shall consist of special classes, special equipment, and itinerant services as needed.
