RANKING OF STUDENT

In order to qualify as a high ranking student, a senior must complete units in high school for three years and must attend Jamestown High School for the full senior year. This rank is to be based on full-time courses with the following point system: A-4, B-3, C-2, D-1. The total number of grade points is then divided by the total number of units the student has earned in full-time courses. The student with the highest quotient ranks first.
