### Communication Methods

1. Acceptable Methods of communication between staff and students.

  - b. Jamestown Public School Google Domain
  - c. PowerSchool, ParentLink-Teacher Connect or Edmodo

  - b. Coaches will be provided with a ParentLink Teacher Connect account and will need to create groups to make contact with players and/or parents.
  - c. Online Games and Related Activities – While many people enjoy gaming (Wii, Xbox, etc.) and recreational websites that allow them to compete with others through the Internet, this is not an acceptable activity for school personnel to engage in with students.

## **Social Media**

### **General Guidelines**

Staff members who are using social media should be cautious in the communication with these technologies. Comments or posts placed on these sites can be visible by a large audience including parents and students. Staff members should never “friend” students who are currently enrolled in Jamestown Public School. The separation between the role of a public educator and a personal friendship with students should always be visible and strongly communicated.

Any content staff members publish, pictures they post, or dialogue they maintain within any social media, or blog, should never compromise their professional integrity or ethics in their role as a professional employed by Jamestown Public School.

Personnel are not authorized to speak on behalf of the district in an official capacity, without prior consent by the Administration. Any opinions or comments about the district and related programs should clearly acknowledge that the comments are their personal opinions and not reflect the opinions of the district.

#### 1. Facebook

- a. The Jamestown Public School uses Facebook as a means to communicate with students, personnel, and patrons. Facebook can be a valuable tool to communicate with others and its use by school personnel is NOT prohibited.
- b. If school personnel use Facebook for valid educational objectives in their classroom or student organization, the page should be set up as an Artist, Band or Public Figure Page, not a personal page. This allows all public to view the page and keep all content on it visible for all to monitor.
- c. Communication with students within a Facebook Page should be centered on one-way communication. If two-way communication is used it should be monitored frequently by school personnel to ensure TAP guidelines are being followed. You can set your page up so that comments are not posted until you have reviewed them and this is recommended.
- d. Any page created for educational purposes should be owned and monitored by Jamestown Public School personnel. If you wish to create a Facebook page to be used within your course or student group be sure to notify parents of your intent to communicate in this fashion.

#### 2. Twitter

- a. JPS uses Twitter as a communication tool to share vital information and details to events held in the district.
- b. Any use of Twitter as a professional in the district to communicate with students and parents should be education focused and one-way.
- c. By establishing an account, it is your responsibility to monitor it closely.

#### **Electronic Mail and Internet Use**

- Users must adhere to this policy at all times when using the Internet and/or email, including after hours, weekend and/or holiday use.
- District email accounts will be provided to all employees and students grades five through twelve.
- Users are prohibited from using district or district provided (EduTech) email or Internet access for commercial or personal gain.
- Material hosted on district servers and published on the Internet may be reviewed for appropriateness. Materials that represent JPS and are hosted on non-district servers should adhere to this policy.
- Student email accounts will be provided through EduTech and will include the Office 365 Suite of software. Students are not allowed to access non-approved email accounts while in school. Student accounts may be revoked if used inappropriately as outlined in the EduTech Acceptable Use Policy or the Jamestown Public Schools Technology Acceptable Use Policy.

#### **Office 365 Suite**

Office 365 is a total Suite of tools. These tools continue to expand to even greater opportunities. Included

with the Office 365 Suite are five free downloads for any student or staff with an @k12 account.

Collaborate with Office Online:

Mail	Calendar	People
Newsfeed	OneDrive	Sites
Tasks	Delve	Video
Word Online	Excel Online	PowerPoint Online
One Note Online	Sway	

Many instructors are using these in their classrooms so it is vital that staff, students and parents are aware of the impact inappropriate use of an @k12.nd.us account can have. If you risk having your account shut down due to violation of the District Technology Policy you could lose all features listed above and more that may be added in the future. This would also include the program downloads you have accessed at home. You would not be able to login to any portion of the program if it becomes necessary to lock your account. You also would not be able to login to a website if that was a class you were taking. This program through EduTech allows you have the tools you need to do your job in school and should be used wisely.

#### **Internet Safety and Use of Filters**

JPS participates in Internet filtering services provided through EduTech to help prevent access to Internet content that is obscene, pornographic, or harmful as defined by the Child Internet Protection Act. By default, filtering measures shall be in operation at all times during the use of the district's computers. Some filtering protection measures may be disabled by an authorized administrator, supervisor, or other authorized person in order to provide access to valid research or for other lawful purposes. In cases where JPS staff provide minimally filtered access to students, the teachers are expected to supervise students and can be held responsible for any student act that violates the Acceptable Use Policy. Problems with the filtering system should be reported immediately to the district Technology Department.

Although the district provides a filtering system to limit user access to potentially objectionable material, no filtering system can provide complete protection and it is the user's responsibility to access Internet resources appropriately. Staff are responsible for supervising students using Internet resources.

Internet safety precautions are the responsibility of all users. Safety tips include:

- Keep your personal information (name, phone numbers, address, passwords, etc.) private.
- Do not read email or download attachments from people you don't know.
- Understand that nothing done on the Internet is private.
- Tell a trusted adult or supervisor if someone says things or sends you something that you consider inappropriate (do not respond to the person either directly or indirectly).
- Never meet online-only friends in person (you have no way to confirm the real identity of someone you meet online).
- Practice proper 'Netiquette' while online and avoid conflicts with other users.

Potentially objectionable material includes, but is not limited to:

- Visual depictions that are obscene or depict child pornography as defined by the Child Internet Protection Act.
- Violence/violent behavior
- Drugs/drug culture
- Cults/satanic
- Militant/Extremist

- Gambling
- Alcohol/tobacco/drugs
- Unrestricted email/chat

### **Privacy**

Privacy is not guaranteed when using JPS technology, including the network. Files, communications (including email), and use history may be reviewed to maintain system integrity and ensure that users are adhering to the Acceptable Use Policy and guidelines. The district will cooperate with local, state, and federal authorities when necessary. All activity could fall under North Dakota open record laws, which means that someone can ask to review this information at any time.

### **Security**

Network and computer security systems help maintain the integrity of the district technology resources. Any attempts to circumvent, disable, or misuse security systems are prohibited. If users feel they can identify a security problem they should notify the Technology Department.

### **Vandalism**

Vandalism includes any malicious attempt to harm or destroy any JPS equipment or software or the data of another user on a computer, local network, or global network. Vandalism is prohibited and may result in cancellation of privileges or other disciplinary action.

### **Sanctions**

The building administrator, supervisor, and/or teacher is responsible for applying sanctions when the Staff and Student Acceptable Use Policy has been violated. Possible sanctions include, but are not limited to:

- Loss of access to district or personal technology resources.
- Removal of students from classes with loss of credit.
- Suspension
- Termination of employment.
- Expulsion
- Restitution for costs associated with repair of equipment or software or associated with improper use of district equipment or systems.
- Additional disciplinary action may be determined at the site or district level in line with existing discipline procedures.
- When applicable, law enforcement agencies may be involved.

Documentation of all violations of this Acceptable Use Policy may be placed in the employee's personnel file or the student academic file. Prior to the suspension/revocation of the use of technology resources or termination, the building administrator will inform the user of the suspected violation and give the user an opportunity to present an explanation. A system user may appeal the suspension or revocation within seven (7) calendar days to the superintendent.

### **Legal Disclaimer**

JPS will not be responsible for damages users may suffer, including loss of data resulting from delay, non-delivery, or service interruptions; damages to personal property used to access school computers, networks, or on-line resources; or unauthorized financial obligations resulting from use of school accounts to access the Internet. JPS specifically denies any responsibility for the accuracy or quality of information obtained through Internet services.

Since all transactions conducted through district technology resources could be perceived as authorized district activities, users of district technology resources are responsible for respecting and adhering to local, state, federal and international laws. Any attempt to break those

laws through the use of district technology resources may result in legal action against the offender by the district, injured third parties and/or governmental authorities. If such an event should occur, the district will fully comply with any requests for information related to the legal proceeding, subject only to prohibitions of law. The Jamestown Public Schools is not liable for the actions of users, which violate the conditions of this document.

The Jamestown Public Schools reserve the right to inspect, review, or delete contents if it has reasonable cause to suspect that a student is using technology for illicit or illegal purposes, is in violation of policy, or for general maintenance. <b>83-91</b>	<b>B</b>
<b>74-82</b>	<b>C</b>
<b>65-73</b>	<b>D</b>
<b>64-below</b>	<b>F</b>

## **Compulsory Attendance**

Students in the schools of North Dakota are required by state law to remain in school until they reach the age of 16. Students aged 16 and 17 who choose to discontinue their education, must bring their parent(s) or guardian(s) to Jamestown High School to meet with the principal.

## **Student Absences**

**Regular attendance is essential if a student is to be successful in school and in the world of work. Parental cooperation in this matter is essential. Parents are asked to notify the attendance office (952-4001) of an absence in advance (by note) or to call in by 9:30 a.m. the day of an illness.**

## **Jamestown High School Attendance Policy**

Jamestown High School students must attend for a specific number of days per semester to be granted class credit. The maximum number of absences from any class in a semester is ten (10). Absences may be due to illness, funerals, or special family needs.

Absences due to school activities, junior/senior college visits, weather related problems, medical absences supported by a physician's written verification for days missed due to health related problems or suspensions will not be counted towards the 10 days, all other absences count towards the ten-day policy. *Medical notes from physicians are due to the attendance office the day the student returns to school for the physician's excused absence.*

If the student experiences a series of multiple absence periods each lasting more than two consecutive days, the student and parents may be required to meet with the Assistant Principal to discuss any specific problems related to absences. The Assistant Principal will review any excessive absences due to unusual circumstances. Schoolwork missed by the student during an absence shall be made up regardless of the reason for the absence.

Family vacations should be scheduled, when possible, during the summer or other non-school days. Should it be deemed necessary for a student to be absent from school due to family related reasons, arrangements should be made by the student to complete, in advance, as much as possible of the school work that would be missed. If the attendance goes beyond the Ten-Day policy, a Family Absence Request Form will be filled out by the student and submitted to the JHS Administration. Any work not completed must be completed upon return by a date established by the instructor. Days missed for such a reason will be included within the ten-day limit.

Each semester upon the 11th absence in a class, a student is subject to credit loss in that class, and the course may be dropped and the student assigned to a study hall or credit recovery. Students may have an opportunity to regain the credit by appealing in writing to a committee of an administrator and counselor/social worker. A contract between the student and school will be designed and time where up to two additional absences per course will be made up with the teacher/teachers in which the credit loss has occurred. If the contract is not followed, credit loss will be final. Appeals are reserved for unusual and/or extenuating circumstances (e.g. lengthy illness). Credits lost due to poor attendance may be made up in the regular school program, summer school, or via online credit recovery.

## **College/Military Visit**

Junior and senior students may have two college visits per year, which does not count towards the ten-day policy. Students will be allow one Military Readiness Day per year. All academic work needs to be up-to-date and detention obligations completed prior to administration granting the visit.

## **Tardiness**

Punctuality is an important life skill and tardiness is extremely disruptive to the educational process. A student is considered tardy if he/she is not in the classroom when class is scheduled to begin. A student who is more than 20 minutes late is considered absent.

**Tardy Policy:** A student who receives a tardy will make up a 15 minute detention for each tardy with the teacher from the class which they received the tardy. Teachers will refer the student to administration for further action if they feel there is an excessive amount of tardies causing disruption to the classroom climate. **Students who are tardy more than four times to a 1<sup>st</sup> period class may have the 1<sup>st</sup> period removed from their schedule.**

## **Truancy/Unexcused**

Truancy **refers to absences which have not been excused by a parent or guardian for students under the age of 16 who are required to attend school by compulsory attendance laws. Unexcused absences apply to those over 16** and are absences from one or more classes, which has not been excused by a parent or guardian and confirmed by school personnel. Once confirmed, a letter is sent to the parent(s) or guardian(s) notifying them of the truancy/unexcused absence. The student will also receive **TWO** periods of detention for each period missed. No credit will be given for ANY work or exams until the time is made up. If a second truancy takes place, the above consequence will be applied, and the family and student may meet with the school social worker/counselor. If three separate truanies occur in a semester, the student will be referred to the school social worker/counselor and the Stutsman County Juvenile Supervisor. Truancy is used in the final citizenship grade. Please refer to the behavioral rubric.

## **Oversleeping**

The first oversleep recorded in each semester is an excused absence. Any oversleep thereafter will be a truancy or unexcused.

## **Transportation Problems**

Absences due to transportation will be recorded as an unexcused absence or truancy. Students are required to serve detention in the after-school detention room.

## **Detention Completion and School Sponsored Activities**

Students must complete all detention obligations prior to participating in any JHS sponsored activities. Students will have a one-week grace period to complete any accrued detention time. A student becomes immediately ineligible for any activity on the second Monday following the infraction if he/she has not made up his/her time.

## **JHS Co-Curricular Policy**

Jamestown High School is a member of the NDHSAA. The Association in the best interests of the participating students and schools makes rules and regulations for these activities. Additional information and clarification can be found in the Constitution and Bylaws of the NDHSAA. Students must be enrolled in a minimum of 25 hours of course work and passing **ALL** classes and not have any outstanding detention obligations for participation. Additional information can be obtained from the Activities office.

All participants must have a signed Code of Conduct form on file in order to participate. All 18 year olds must meet with the activities director and sign a code of conduct on or after his/her 18th birthday. Failure to do so will make the student ineligible for participation in JHS sponsored co-curricular activities.

## **Backpacks/Purses**

When possible, backpacks should remain securely in students' lockers. If backpacks or other bags become a distraction or safety hazard in the learning environment the student relinquishes the backpack/purse to a teacher or administrator for the remainder of the day and parents are contacted. Larger bags/backpacks for activities should be kept in vehicles or can be dropped in the athletic office until dismissal for the activity.

## Dress Code

Student attire should facilitate participation in learning, prepare students for future careers, and protect the health and safety of students and staff. Inappropriate clothing attire and poor personal hygiene can negatively impact the learning environment. Additionally, clothing attire and personal hygiene should not in any way constitute a threat to the safety and health of the student and others. State and federal regulations require students to be clothed and to wear shoes at all times. The JPS school board may act to adapt the dress code at any time to ensure student and community health and safety.

1. While in the building, on field trips, or at school events, student apparel with any of the following characteristics is not allowed:

- Lewd, vulgar, or obscene.
- Promotes products or activities that are illegal or illegal for use by minors.
- Contains objectionable emblems, signs, words, objects, or pictures communicating a message that is racist, sexist, or otherwise derogatory to a specific group/individual or which connotes gang membership.
- Contains objects that may cause harm.
- It is customary to remove headgear in a public building or professional settings. Depending on the setting or at the discretion of the teacher, students may be asked to remove headgear. Any headgear that is a distraction to the learning environment, used to disengage from instruction or disguise identity are not to be worn inside the building unless permitted by teachers or administrators for religious, medical, special events, or career preparation.
- Opaque clothing must cover undergarments and the entire area from armpit to armpit to bottom of 3-4 inches in length on the upper thighs. Please see the image below:
- Clothing determined to be disruptive to the school environment by administration.

Dress code violation: The student will be referred to the office, asked to change and inappropriate clothing will be held for parents to pick up. Students will be provided with alternate clothing that meets dress code. Additional disciplinary action may be taken as determined by the administration and the JHS discipline and problem-solving grid.

## Travel Passes

Consultation passes are issued in the Attendance Office. All students who leave the building during the school day must carry a consultation slip. Travel passes are necessary for such reasons as a medical, dental, or court

appointment, but not for personal convenience. **Any student that leaves the school during the day is required to check out at the Attendance Office with the attendance clerk or administrative staff.**

### **Incomplete and Missing Work Protocol**

As a rule, missed work must be made up within two days for each day missed. Whenever possible, the work should be completed prior to the absence (required for activities). Students who miss a firm due date for required tasks will have the following escalating supports and consequences:

**Late Work Submission Protocol:**

Step 1	Late work is entered in PowerSchool as a 0 with the note “missing.”
Step 2	Detention may be assigned to finish the work with the teacher.
Step 3	Parent/Guardian is contacted, grade is changed to Incomplete and the student is assigned to academic probation.

**Late Work Grading Policy:**

1.	Late work may automatically result in one letter grade lower for the late assignment.
2.	Late work turned in two weeks or later may be reduced 50% at teacher discretion.
3.	Students on Academic Probation are ineligible for activities and must attend an overtime session 8:00- 9:15 on Wednesdays.

- Final grades are at the discretion of the teacher.
- Students who do not attend an assigned detention with a teacher are assigned another detention with that teacher.
- Failure to attend three assigned detentions results in a referral to the office prompting a parent meeting and may result in ISS.
- When you have a grade of F or I, the school will contact parents to inform them that you have been placed on academic probation due to missing work, that your quarter grade is a possible incomplete, and you are at risk for failure.
- For excused absences, students are allowed two days to turn in the work due without penalty; after two days if the work is not turned in, the late work policy is followed. Students in activities are required to plan with the teacher to make up work prior to missing or the late work grading policy applies immediately.
- Four days following the completion of 1st and 3rd quarter, Incompletes are issued with a grade of (I) on the report card, meaning no credit earned for the quarter, prompting a meeting with a principal or counselor for schedule updates. For the 2nd and 4th grading period, the incompletes must be made up by 4:00p.m. on the day prior to the start of final assessments. If not, the incomplete “I” will remain in the permanent record showing “no credit.” Teachers may contact a principal with extenuating circumstances.

## **Citizenship and Academic Probation**

An Academic Probation (Incomplete and Failing grade) list and list of students with a U in conduct will be produced each Tuesday Morning. If the student is on Academic or Citizenship Probation, the following supports will be utilized:

1. A student will be withdrawn from extra-curricular or co-curricular commitments (not required for a course) from Wednesday of that week to Wednesday of the following week. Students cannot expect late work to be graded immediately. When work is turned in, teachers may need up to two school days to grade and enter into PowerSchool. If PowerSchool indicates the incomplete is completed, or citizenship grade is changed to satisfactory, students may obtain a green sheet from administration to become eligible.
2. Senior students on academic or citizenship probation will not be eligible for the senior incentives (flex period options such as open lunch, senior study hall, etc.)
3. The student will meet with a counselor or principal and may be removed from an elective and placed in a restricted study hall to complete the entire Strategies for Academic Success course or other program.
4. The student will meet with a team regarding a behavior or approaches to learning plan.
5. Other personalized supports would be implemented as necessary.

## **Vandalism**

Jamestown High School is here for your use. Take care of it and treat such property with the same consideration you have for your own home. Take pride in keeping the halls and grounds clean. Throw waste materials into the containers provided for this purpose. Do not markup desks, books, or lockers. This equipment is expensive, and many other students must use it after you. Any student who willfully vandalizes any part of school district property, here or at any other school in the city, must repair or make restitution and serve a minimum of one-hour campus community service. For a second offense, the student/parent must make restitution, and the student will receive a minimum of one-day in-school suspension. The Jamestown School District has a standing \$25 reward for information leading to the identification of vandals.

## **Food/Soft-Drinks/Beverages**

All food is to be eaten in the Commons and is not allowed to be eaten in the hallways, classroom, or lockers. At the discretion of the classroom teacher, students may drink teacher-approved beverages in that teacher's classroom. If a spill occurs, the student is responsible for cleanup of any messes made due to having a beverage in the hallway or classroom.

## **Cheating**

Cheating at Jamestown High School will not be tolerated. If a student is caught cheating, the assignment will be redone and they may receive reduced credit (50%) the student involved will also receive an F" in conduct. The teacher will contact the student's parent/guardian.

## **Unacceptable Language and Inappropriate Personal Items**

Profane or vulgar language has no place in the school environment. A zero tolerance approach at Jamestown High School is intended to provide students with the opportunity and skills to communicate appropriately. The first referral made to an administrator requires one period of detention. Any personal items that have inappropriate language or symbols will be confiscated and returned to the student's parent/guardian.

## **Instructional Materials**

All complaints relating to the appropriateness or absence of instructional materials shall be reported to the building Principal. The Principal will try to resolve the issue informally by explaining the philosophy and goals of the school district and/or the library media center. If an informal resolution cannot be achieved, formal procedures will be initiated. A complete copy of the procedures used for challenged materials can be found in the Principal's office.

## **Counseling and Guidance**

The Jamestown High School counselors strive to aid each individual student in utilizing abilities to the fullest in making sound choices and in developing self-understanding. The counseling offices are located next to the main office.

## **Health Services**

The Public Health Office provides a nurse in the high school on a request basis. Requests to see the nurse should be made in the office. Public Health will also be on call and available for emergencies. Parents must notify the Principal's office if a student has a special health problem so we can take proper precautions in case of an emergency.

## **Media Center**

The school media center is a pleasant place in which to read or study. It is open from 7:50 a.m. until 4:00 p.m. daily. Books are checked out for two weeks and may be renewed for another two weeks. Lost or damaged books must be paid by the student or his/her family. There is a fine for overdue books. Reference books and magazines should be used only in the school media center.

## **School Facilities**

School facilities are available to school organizations upon request by an authorized school official provided the director of the organization assumes the responsibility of proper supervision.

The swimming pool may be used by school organizations, rental free, but the group must pay for the services of a certified lifeguard. The director must be responsible for supervision.

School facilities may be rented by other organizations for a rental fee. The High School Principal and Activities Director are responsible for rental of school facilities.

## **Student Records**

No records, pertaining to individual students, will be released for inspection by the public or any unauthorized persons, by either the district administrator or other persons responsible for the custody of confidential files. The exception to this shall be information about an individual student, which had been authorized for release by the student's parents, in writing. The District will comply with custody issues when a valid copy of the court order is on file at the Central Office and notice has been given to the building administrator.

## **Lockers, Care of School and Personal Property**

Lockers are assigned at the beginning of the school year for the full year. **School personnel retain the right to inspect lockers for damage or whenever there is reason to suspect the contents of the locker contain materials detrimental to the educational purposes of the school. Periodic Canine searches will be conducted.** Student(s) are responsible for any damage done to their locker. Any required repairs must be reported to the attendance office. **Lockers must be locked at all times using school issued locks and students are to use the locker assigned to them.** Students are encouraged not to give out his/her combination to other students.

Coats/jackets are not allowed in classrooms and must be stored in your locker.

**All locker decorations must be approved by the principal. Promotional posters may be hung on the hallway bulletin boards with prior approval of the principal.**

## Course Enrollment Changes

3. I don't have a course I need for graduation

8. I need to make changes to meet the requirements of the ND Academic or CTE Scholarship.
9. I am requesting a study hall be added.

All schedule changes meeting the above criteria must be requested by the third day of school in the effected semester. Courses will not be dropped without written consent of a parent/guardian. If a student drops a class after the 15<sup>th</sup> day it will appear as a Withdrawal, W, on their academic record.

## **Sportsmanship**

The Jamestown Public School District believes that activity programs play an important role in the lives of our students. The development of good sportsmanship may be one of the greatest lessons learned through these activities. The ability to display good sportsmanship ultimately falls on the student, but others must also work with the student to achieve a level that is viewed to be appropriate.

To summarize the policy of Jamestown Public Schools as it relates to sportsmanship would be to say that administrators and coaches shall teach and practice good sportsmanship and hold students accountable for their actions. Spectators will be reminded and encouraged to be appropriate role models for young people. The school board will support staff and administrators who enforce sportsmanship rules at all school activities and will evict students or adults who violate the district policy.
