

NONDISCRIMINATION & ANTI-HARASSMENT POLICY

James River Special Education Unit

General Prohibitions

The James River Special Education Unit is committed to maintaining a learning and working environment free from discrimination and harassment in all employment and educational programs, activities, and facilities. The Unit prohibits discrimination and harassment based on a student, parent/guardian, and/or employee's race, color, religion, sex, gender identity, national origin, ancestry, disability, age, or other status protected by law.

It shall be a violation of this policy for any Unit student, parent/guardian, or employee or third party to harass or discriminate against another Unit student or employee based on any status protected by law if the conduct occurred within the context of an education program or activity, or had a continuing effect in the educational setting on campus or in an off-campus program or activity. The Unit will not tolerate harassment or discrimination of a Unit student or employee by a third party. The Unit also prohibits aiding, abetting, inciting, compelling, or coercing discrimination or harassment; discriminating against or harassing any person affiliated with a person protected by this policy and/or law; knowingly making a false discrimination and/or harassment report; and retaliation against individuals who report and/or participate in a discrimination and/or harassment investigation, including instances when a complaint is not substantiated.

The Unit shall promptly investigate any harassment, discrimination or retaliation complaint and act on findings as appropriate, which may include disciplinary measures such as, but not limited to, termination of employment or reporting to the applicable school district for potential expulsion in accordance with board policy, law, and, when applicable, the negotiated agreement. Students and employees are expected to fully cooperate in the investigation process. The Unit will take steps to try and prevent recurrence of harassment, discrimination or retaliation and remedy discriminatory effects on the complainant and others, if appropriate.

 - b. It creates a hostile environment meaning unwelcome sexual conduct or communication that is sufficiently serious to deny or limit a student's ability to participate in or benefit from the school's program(s). Complaint Filing Procedure

The Board has created an informal and formal harassment and discrimination complaint resolution procedure in board regulations. The procedure provides for an impartial investigation free of conflicts of interest. Nothing in this policy or in the discrimination & harassment grievance procedure shall prevent an individual from pursuing redress through state and/or federal law.

Confidentiality

An individual wishing to file an anonymous harassment and/or discrimination complaint shall be advised that confidentiality may limit the Unit's ability to fully respond to the complaint and that retaliation is prohibited. The appropriate grievance coordinator (nondiscrimination, Title IX, or 504) shall perform a confidentiality analysis to determine when a request for confidentiality cannot be honored due to safety reasons or the Unit's obligation to maintain a nondiscriminatory educational environment, and the complainant shall be notified in writing of the confidentiality analysis outcome. A harassment or discrimination investigation report is subject to the open records law after 60 days or when the investigation is complete (whichever comes first), with limited exceptions such as when the record is protected by FERPA.

Complaint Recipients

All Unit employees are responsible for receiving complaints of discrimination or harassment and shall forward complaints to the grievance coordinator. All Unit employees shall receive appropriate training on their reporting duties.

Policy Training and Dissemination

The Board authorizes the Director to develop harassment and discrimination awareness training for employees. In addition, the Director shall display this policy and complementary grievance procedure in a prominent place in each Unit building and publish it in employee handbooks, in materials provided by the Unit to parents/guardians where appropriate, and on the Unit's website.
