### Determine Won/Loss Record

**Duals:** Straight win or loss

**Wins:**

**Losses:**

**Multi-Team Events:** Take the total number of teams in the competition. Each team that finishes ahead of you counts as a loss. Each team that finishes behind you counts as a win. *Example: If 25 teams are in the competition and you place 5<sup>th</sup>, you have 20 wins and 4 losses for that event.*

**Wins:**

**Losses:**

**Regular Season:** Using the information from above, total number of wins your team have in duals and multi-dual competition and the number of losses in duals and multi-team competitions.

**Wins:**

**Losses:**

**Post Season:** These are all multi-team meets that will advance teams, and or individual, to an eventual state championship multi-team event. Use the same process from the regular season to determine wins and losses.
